Serving You Since 1979

SPRING 2016 NEWSLETTER

If you haven't taken advantage of UTILITY REBATES for upgrading your furnace, thermostat, air conditioner and water heater, now is the time. Rebates up to \$450 on new air conditioning and up to \$600 on new furnaces. Rebates expire May 31, 2016.

[www.nicorgasrebates.com/your-home/rebates-for-home](http://www.nicorgasrebates.com/your-home/rebates-for-home)  
[www.comed.com/home-savings/rebates-tips/Pages/home-energy-rebates](http://www.comed.com/home-savings/rebates-tips/Pages/home-energy-rebates)

FEDERAL TAX CREDITS up to \$500 are also available for new high efficient furnace AND air conditioner. [www.energystar.gov/about/federal\\_tax\\_credits](http://www.energystar.gov/about/federal_tax_credits)

If you could change only two things to increase the comfort in your home, what would they be? Air Cleaner, Humidifier, Media Filter, Dehumidifier, UV Light, Thermostat or Temperature Remodeling. All of these items increase your indoor comfort and air quality. Air-ease can help you choose the products that provide you the most benefit. [www.air-ease.com/indoor-air-filtration/](http://www.air-ease.com/indoor-air-filtration/)

Do you really need to heat and cool every room in your home all year long when you only occupy a few rooms at a time? Some rooms too cold? Some rooms too hot? Ductless, zoned systems are modern and efficient solutions for Room Additions, Basements, Sun Rooms, Second Floor Zoning, Home Offices or Converted Attic Spaces. [www.mitsubishicomfort.com/](http://www.mitsubishicomfort.com/)

Geothermal offers the best **tax credit** for HVAC systems. Would you like to reduce your energy cost and qualify for a 30% tax credit? **Geothermal is the most energy efficient system in the world.** This great tax credit expires December 31, 2016. Use this savings calculator and see how much you could save using geothermal to heat and cool. [www.waterfurnace.com/savings-calculator/](http://www.waterfurnace.com/savings-calculator/)

No payments Same-As-Cash Loans *OR* Reduced Interest Loans are available to assist you in upgrading your HVAC system or adding a Mitsubishi ductless system for additional comfort. Loans provided by EnerBank USA on approved credit for a limited time. Call the office for details.

How many offers have you seen for tune-ups? These offers span a wide price range with little information as to the differences. Your preventative maintenance program provides discounts on parts and equipment, priority customer service, no overtime charges, no diagnostic fee should you require service, and 100% customer satisfaction on your tune-up.

Get comfortable today. Call to schedule your FREE estimate or preventative maintenance appointment. E-Mail your preferred date for service. Saving energy is just a phone call or click away. [info@air-ease.com](mailto:info@air-ease.com)

[www.air-ease.com](http://www.air-ease.com) There have been some exciting changes at Air-ease recently. New website blogs, Pinterest site, new trucks and a growing Facebook page. Same great service you have come to expect with an updated look. Take a look around our sites and give us your review.

Finally, we all love a good movie. Air-ease has produced our own YouTube video of many of our projects over the past 37 years. Your project may be one we have featured. Take a look. See all the things Air-ease Heating and Cooling can do for you. [www.youtube.com/watch?v=6CahKkEzpZY](http://www.youtube.com/watch?v=6CahKkEzpZY)
